Reference: Outstanding Job

Dear JD:

Just a quick note to thank you and your men for doing an outstanding office partition job. Vince and his team were excellent. The job was done quickly and on time. You men were neat and clean with no mess left at the construction area or the surround office space. If we have anything construction in the future that is in your company's area of operation you can be sure that you will be doing it for us.

Please thank your team and I wish you and them a Happy and Safe New Year.
