Re: Renovation at 145 Huguenot Street, New Rochelle
for McDonough Law

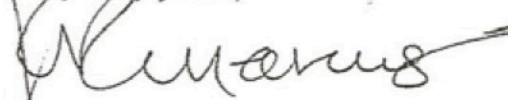

Dear JD:

I wish to thank you for the superlative work and attention to detail performed in completion of the renovation of our offices, while we occupied the space at the above location.

Your workforce permitted us to continue with our work with minimal disruption. They were always cautious and gladly went the extra mile for us. The site was clean every morning when we came to work.

You are at liberty to give my name to any prospective client if you need a recommendation.

Very truly yours,

K. Richard Marcus
