To whom it may concern,

We recently had the opportunity to work with Kings Capital Construction on a major office renovation for our publishing company that entailed moving from 10,000 sq ft to 30,000 sq ft. Despite very tight deadlines, the project went off flawlessly, much to the credit of the team at Kings Capital Construction. Lead by project manager Jess Siciliano, their team did an amazing job of delivering a first class job on time and on budget. I highly recommend the team for those who worry about getting the job done right the first time.

I'm happy to answer any questions you may have.

Tom
