JD,

Just wanted to take a moment to Thank You for allowing us the Opportunity to work with your firm. We are coming down the wire at DuBois and wanted to comment on how well our experience has been with your organization. Your company has been very professional and proficient thru out our projects and your people have been very responsive to our needs and concerns both in your office and in the field. A large part of success is communication and we all used that tool to get us to our goals in a timely manner. I must commend your Senior Project Manager, Joe Morino for this communication link.

I have never in my 60 yrs. of construction experience have worked with anyone so visionary, intense and driven as he; actually with my experience, He taught Me a few things!

We look forward to the opportunity to continue this relationship with your firm on your future projects. Again, Thank You very much!

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Orlando', is written over the word 'Sincerely,'.
