FOR IMMEDIATE RELEASE - Westchester County, NY, March 16, 2021 – Inc. magazine today revealed that Kings Capital Construction is No. 127 on its second annual Inc. 5000 Regionals: New York City Metro list, the most prestigious ranking of the fastest-growing New York City area-based private companies. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the NYC area economy’s most dynamic segment—its independent small businesses.

“My partner, Mike, and I are humbled by this honor and recognition. Ultimately, our company’s success is a tribute to our outstanding employees who are committed to excellence. As leaders, we are responsible for creating an environment that is effective, supportive, and authentic. We know it is critical that we create value for everyone along the way because the relationships we build are the primary contributors to our track record of success.” – JD Summa, CEO and President.

The companies on this list show stunning rates of growth across all industries in the New York City area. Between 2017 and 2019, these 250 private companies had an average growth rate of 214 percent and, in 2019 alone, they employed more than 48,000 people and added nearly \$9 billion to the NYC Metro area economy. Companies based in Stamford, Connecticut, New York City, and central New Jersey brought in the highest revenue overall.

More about *Inc.* and the Inc. 5000 Regionals

Methodology

The 2021 *Inc.* 5000 Regionals are ranked according to percentage revenue growth when comparing 2017 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2017. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2019 is \$1 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons.
