Inc. 5000

Dear Victoria,

Congratulations! For the 3 time, Kings Capital Construction Group has made the Inc. 5000 list of the fastest-growing private companies in America.

Only a tiny fraction of the nation's companies have demonstrated such remarkably consistent high growth. This achievement truly puts you in rarefied company.

This kind of accomplishment is truly worth celebrating. The 35th Annual Inc. 5000 Conference and Gala will be held October 18- 20, 2016 at the JW Marriott Hill Country in San Antonio. Featured keynote speakers include Tony Robbins, Marvell Technology's Weili Dai and New Belgium Brewing's Kim Jordan. For details, visit www.inc5000conference.com.

We will be coordinating a major public release of the list on August 17 and request that you please refrain from any public announcements about your inclusion until then, particularly since information about each company's official rank will not be available until that time. By then, more information — including your company's rank — will arrive by mail in your official honoree package, addressed to the CEO.

Sincere congratulations to you and your team,

Eric Schurenberg
President and Editor-in-Chief
