## **PORT CHESTER CHILDREN WILL START THE SCHOOL YEAR OFF WITH THE SUPPLIES THEY NEED**

Port Chester, NY – The Carver Center, 400 Westchester Avenue, Port Chester, will be hosting a back-to-school backpack distribution on **Wednesday, August 28<sup>th</sup> at 6:00pm** thanks to the generosity of Kings Capital Construction. **Two hundred** Port Chester students will receive new backpacks, filled with the supplies they need for school. Kings Capital Construction will also be providing free food and ice cream for the event.

“The average family spends approximately \$100 per child, per year on school supplies. For a family already struggling financially, the expense of adequately preparing children for the start of the school year can be a financial burden.” said Anne Bradner, CEO of Carver Center. “We are thankful for the support and generosity of Kings Capital Construction. It lifts a tremendous weight off the shoulders of our parents knowing that their children are completely equipped and ready to succeed in school.”

“Kings Capital Construction Group is committed to their support of local programs to benefit children and families in the community” said JD Summa, CEO. “We are proud to support Carver Center and similar local organizations in their efforts to provide vital programs & resources for area residents, with a particular focus on the needs of underprivileged youths and families.”
